SunTech

Illumination Services

Awarded Major Lighting Contract

SunTech, a trade name of SLBS, LLC, has been awarded a contract to retrofit exterior lighting systems for a major U.S. retailer.

According to SunTech president, Rick Jackson, “we are very pleased to have an opportunity to participate in a project of this scale. The project will span two years and entails work at nearly 1,000 customer locations in the southeastern U.S. This contract was awarded to us by one of the top five retailers in the country and solidifies our position as a significant player in this industry”.

SunTech primarily provides ongoing maintenance services for lighting, electrical and outdoor sign systems in its twelve-state service area.
